OPTIONS

- If your license, permit, non-driver ID card or registration will expire in the next 90 days, call DMV (see the phone numbers listed above) for information about changing your address and renewing your document by mail at the same time.
- DMV does not require you to get a new license, permit or non-driver ID card when you change your address, but many people prefer to do so. It's easy to request replacement documents by mail. There is a fee for this optional service.
 - ◆ To purchase a replacement driver license, permit or non-driver ID card showing your new address, follow the instructions on Page 2 and complete Parts 1 and 2. If you request a replacement license, permit or non-driver ID card, keep your current one until you receive the new one in the mail.
 - ◆ For information about purchasing replacement registrations showing your new address, contact any DMV office.
- If you DO NOT want a new document, we will enter your address change in our records at no cost to you. Just print Page 2 of this form, fill in all of the information requested in Part 1, and mail it to the address in #6 near the bottom of the page.
- FOR YOUR CONVENIENCE - If you want us to send this change of address information to your County Board of Elections for voting purposes, please check the "Yes" box on Page 2. You will be notified by the Board of Elections when your address change has been processed.

NOTE: If you are moving to a different county, you must register with that County's Board of Elections by completing a NYS Voter Registration Form that is available at any DMV office, from your County Board of Elections, or by visiting the NYS Board of Elections web site at www.elections.state.ny.us.
